**LETTER OF INTENT GUIDELINES**

A *Letter of Intent* is a part of the application process for the Summer Study Abroad program. Before you start writing your letter, think through first what your objectives and goals are. It is highly recommended that you have someone proofread your letter. You can also get assistance in writing your letter by bringing a draft of the letter to the Writing Centre (it is recommended to make an appointment at least three days in advance).

Your *Letter of Intent* should be one-page in length, single spaced, Arial font, size 10, and addressed to the Selection Committee. Your letter should address the following:

- How the summer program will enrich your studies at Humber.
- How the study abroad opportunity will positively contribute to your personal and professional goals.
- How your experiences studying in another country will help to bring an international/global perspective to Humber and/or your community.

**TERMS AND CONDITIONS**

- To be eligible to participate, students are required to be in "**good academic standing**" as defined in Humber's Academic Regulations. Should this status change, an offer to participate in the program will be withdrawn.
